

BEFORE YOU MAKE A DECISION  
TAKE YOUR EMOTIONAL TEMPERATURE

@LIZ ANDMOLLIE

I read a while ago in the dutch newspaper NRC about Liz and Mollie. I directly ordered their book ISBN: 978-0-241-32870 'No Hard Feelings', subtitle: 'emotions at work' (and how they help us succeed). Wow really spot-on. Nice drawings. These women really understand how business works (or not works). Chapeau! Of course I directly went to their website [www.izandmollie.com](http://www.izandmollie.com) and filled in to send me their newsletter. Once and while I get an inspiring drawing we makes me at least smile.
